Donna Barnes Promoted to Information Technology Director

Kent County, Del. – Kent County Levy Court is pleased to announce that after a thorough interview process, Donna Barnes has been selected as our new Information Technology Director. Donna has been serving as the Interim IT Director since July, and her leadership, expertise, and dedication have made a significant impact on our IT operations during this time.

Donna's extensive experience within our organization, combined with her strong understanding of our systems and goals, made her the ideal candidate for this role. Her exemplary performance as Interim IT Director has demonstrated her capability to lead the IT Department with excellence, and we are confident that she will continue to do so.

In her new role as IT Director, Donna will oversee all IT functions, ensuring that our technological infrastructure supports our mission and strategic goals. Her vision and commitment to innovation will be key in driving our IT initiative forward.

We are excited about the future of our IT Department under Donna's leadership and look forward to the continued growth and success she will bring to our team.
