NOTICE

Estate of: _____

To: _____

You are hereby notified that the personal representative(s) of the above-captioned estate has/have filed his/her/their _____ Account in this office. The account will be open for your inspection and exception for three (3) months from the date of mailing of this notice.

Personal representatives for the estates and attorneys who represent them are entitled to reasonable commissions and fees. In determining what constitutes reasonable commissions and fees, consideration may be given to the time spent, the risk and responsibility involved, the novelty and difficulty of the questions presented, the skill and experience of the personal representative and the attorney, any provisions of the will regarding compensation, comparable rates for similar services in the locality, the character and value of the estate assets, the character and value of assets which are not part of the probate estate but which must be valued and reported on any federal, state, local or foreign death tax return, the time constraints imposed upon the personal representative and attorney, and the loss of other business necessitated by acceptance of the administration. Commissions and fees shall not be considered unreasonable merely because they are based exclusively on hourly rates, exclusively on the value of the probate estate, or exclusively on the value of the assets includable in the estate for the purpose of any tax.

Unless you file an exception to the account alleging that the commissions of the personal representative(s) or the fees of the attorney(s) for the personal representative(s) as set forth in the account are unreasonable, you shall be deemed to consider such commissions and fees reasonable.
