Levy Court Approves New Fees for the Department of Public Works

Dover, Del. – The Department of Public Works announces new fees and an increase in sewer impact fees will go into effect July 1, 2024.

While sewer impact fees increase annually, the new residential and commercial Permit/Inspections have not been increased since 2006.

The new Capital Improvement County Impact Fee will be \$3,166 per equivalent dwelling unit (edu). The New District Expansion Impact Fee will be \$2,813.13 per edu.

The residential and commercial permit/inspection fee will be \$130.00, \$500.00 respectively.

See below for more details.
